Letter No. B1-2. FYS. 835/68-69 dated 16-x-69 from Secy
C.C. T.B. 1/2

(i) Paise lands in Cong with are under the control of R.D. as present are heavily wooded with valuable species like beetle, hane, teak apart from softwood suitable for plywood and matchwood industries. There are a number of incidents of illicit felling of these trees particularly at the border side of Cong. Unless these areas are taken under the control of forest dept and constituted as reserved forest proper control on these lands would be difficult. There are a number of encroachments also in these lands.

(ii) As far back as 1963, where there was only one Asst Conservator of Forests in 1963, it was perambulating these S. 103. and after survey to arrange for notifying them as Reserved forests. R.D. in G.O. No. RD 83 LAD 61 dated 4.6.62 had issued instructions to Revenue officers to consult forest authority in respect of lands to be released for cultivation. As there was

no expected cooperation from the Revenue Dept of Kong
at Tahuka level, the A.C.F. felt difficulty in
continuing any survey, the matter was informed
to the D.C. Cong by the C.F. Cong Circle to instruct
his staff suitable.

(iii) From 1963 onwards repeatedly this
subject of transfer of paissai lands to the Forest
Dept was discussed in many occasions and
meetings. Consequently a 3 man's committee was
formed first for transfer of lands from Forest to Revenue
and vice-versa. In G.O. NO. RD32LHAB2 dated
1.8.64 and 6.7.65, an extent of 50638 acres of paissai
lands was ordered to be transferred to Forest Dept.

(iv) During 1964, the D.F.O. Cong had
agreed to take up A.C.F. Cong to take up the
survey works of the transferred paissai lands with
the help of 3 Forest Surveyors and the D.C. Cong
was also requested to make available the
(i) village maps of the area (ii) Jamathandi Register
(iii) to make available the services of Shanthogues
and Nad. Surveyors to show the areas and also

5

to give necessary documents. Accordingly the D.C. Coorg issued necessary instructions to all Thakias, Idars, Pasumpashegers and Shanbhoyas to extend co-operation and help in locating the bundles and bundy/bel of the proposed S. No.

(v) In Gov. No. RD 50 LAD 66, R.D. in Govt. directed that the D.C. Coorg to hand over the area of 50,638 ares to forest Dept. Simultaneously/after-atom notifications, as and when the areas are transferred, are to be submitted by the forest Dept. to declare them as protected forest, as per the provisions of the forest act.

(vi) But so far actually nothing is done in this aspect and no areas are taken by forest Dept., due to non-availability of special staff for attending this work.

(vii) Apart from 50,638 ares which is ordered to be transferred to forest Dept., there is considerable extent of peasant lands yet to be under the control of R.D. which contains heavy and

valuable tree growth. The matter of transferring some more area of patais land could also be examined for systematic management by Forest Dept.

(viii) The C.C.F. has requested the following staff for the purpose:

- | | |
|----------------------------------|-----------------|
| (i) Asst. Conservator of Forests | 1 |
| (ii) R.F.O's | 2 |
| (iii) Forest Surveyors | 2 |
| (iv) Foresters | 4 |
| (v) Draughtsman | 8 of the staff. |

(ix) The exact no of draughtsman required in the office staff required is not mentioned by C.C.F. He may be requested to furnish the same. A draft letter is put up for approval.

(1)
P7

(x) The note merely indicates that though transfer of lands have been ordered no program has taken place. The C.C.F. has not sent any proposals. Proposals may be called for taking over the lands ordered to be transferred to Forest Dept. early.

Note for the review by Staff Screening Committee.

The proposal briefly is as follows. An area of 50,638 acres of rich Paisari lands in Coorg District is to be taken over by ^{the} Forest Department. For ~~the~~ survey of this land the existing staff is not sufficient. It is likely that undue delay in surveying and taking over these richly wooded areas may result in serious permanent loss to Government.

The existing staff under Forest consolidation scheme is as detailed below.

- | | |
|-------------------------|---|
| 1) Range Forest Officer | 1 |
| 2) Draughts man | 1 |
| 3) Surveyor | 1 |
| 4) Forest Guard | 1 |

The proposed staff for the above work is as follows for 2 years.

- | | |
|-------------------------------------|---------------------------|
| 1) Forest Surveyor I grade | 1 |
| 2) Forest Surveyor II grade | 4 |
| 3) Foresters | 2 |
| 4) Accountants I grade | 1 |
| 5) Accounts ^{ant} II grade | 1 |
| 6) Clerk II Division | 1 |
| 7) Clerk cum Typist | 1 |
| 8) Forest Guards | 2 |
| 9) Peons | 4 (subject to alteration) |

The extra Financial Commitment is Rs. 46,063/(Salary Rs.36,063/+T.A of Rs.10,000/- Lumpsum) for the survey of 50,638 Acres rich Forest lands to be transferred to the Forest Department.

Finance Department have agreed to sanction the staff subject to reduction of 2 peons and ^{have} desired to seek the approval of Staff Screening Committee.

Approval of Staff Screening committee is requested.

I request you to communicate sanction of Government
for the staff proposed early to take up the Survey work.
During the meeting held on 5-3-70 in the chambers of the
Minister of State for Forests, it was desired that the
work of surveying these Paisari lands should be taken up
soon, to avoid loss of the richly wooded areas due to
encroachments etc. I therefore, request immediate sanction
of Government in the matter.

Yours faithfully,

Apart from the paisari lands ordered for transfer (50,638 acres) there are the remaining balance paisari lands, (where the Revenue Department is considering individual plots for dark-hat grants, and also on a crash programme by Hissa Survey- while contain valuable and heavily wooded tree growth. Valuable species on such paisaries, are to be removed and sold to the best advantage of the Government, for which Conservator of Forests, Coorg Circle has already submitted proposals to the Chief Conservator of Forests. It may be necessary to examine, as to whether some more paisari lands which contain valuable and thick tree growth, could be transferred from Revenue Department to Forest Department for systematic Management. The item of work which needs, immediate action at all level, is the creation and sanction of special survey unit of one Assistant Conservator of Forests, 2 Range Forest Officers, 4 Foresters, 2 Forest Surveyors, One Draught'sman with necessary clerical and office staff, to take up the transfer of rich paisari lands from Revenue Department to Forest Department in Coorg District, on a top priority scale.

18 2

lands, within 6 months from 21.3.1969. Following information called urgently by the Conservator of Forests, Coorg Circle on 31.5.1969 was submitted by the Divisional Forest Officer, Mercara on 31.5.1969.

- i) Extent of paisari land in Coorg District to be taken over (along with G.O. No. and date. | 45,027 acres (Mercara Division G.O. No. RD 32 L&D 62 Dt.1.8.64
- ii) Whether the survey staff existing are able to take up the survey of the areas and complete it within one year? | No.
- iii) Whether extra staff is required to complete the work, within one year, if so details of staff required. | Nil in view of reply to (ii) above. Even with extra staff, it will not be practicable to complete the work within one year (one season).

Divisional Forest officer, Working Plan, Mysore in his No. FI-PDS-4/Mer/68-69 dated 6-9-1969 has requested the Deputy Commissioner of Coorg to supply him with rough sketches of part Sy. No. indicating the area proposed for transfer, to enable him to take up survey work, without difficulty for clear location.

Even though 50,638 acres of paisari lands have been ordered by the Government to be transferred from Revenue Department to Forest Department as long back in August 1964, to date no areas has yet been taken over by the Forest Department as could be seen by the "Nil" progress reports submitted by the Divisional Forest Officer, Mercara to the Conservator of Forests, Coorg Circle. The main bottle neck seems to be non-availability of the special staff for attending to this transfer work. To start with the Asst. Conservator of Forests, Resources survey, Mercara was entrusted with this work and he was able to survey and prepare preliminary notifications for areas in about 5 villages. This work was entrusted to the Divisional Forest Officer, Working Plan and Forest Survey, Bangalore, and not much work could be achieved, since probably he had not the services of adequate number of surveyors and Draught's man. Since 1966, this work has been entrusted to the Divisional Forest Officer, Working Plan Mysore but still no substantial progress has been achieved to day. In his latest reference dated 6-9-1969, he has requested the Deputy Commissioner of Coorg to furnish sketches of survey Nos where only a part area has been ordered to be transferred. Unless, a special survey unit is created only for this purpose of taking over paisari lands in Coorg, under the Control of the Divisional Forest Officer, Working Plan, Mysore, to attend to this work on a priority basis, not much progress could be expected, looking to the difficulties involved in the field, which the survey staff have to face day. Further, cooperation and help from the Revenue Department Officials is a must, to see that paisaries are handed over immediately.

The paisari lands are heavily wooded and contain very valuable species like baete, honne and teak apart from softwood suitable for plywood and matchwood industries. There are incidents of illicit fellings and attempts at smuggling of Government timber, on such paisari lands, and unless these lands are taken over promptly and put under the care and protection of Forest staff, there are chances of losing a good many valuable trees by way of illicit fellings and removal. Protection staff cannot be posted till these areas are taken over and are constituted into Reserve Forests which is a legal process and takes a good deal of time. For doing this work, the services of a Forest Settlement Officer, also would be essential. Secondly, if this process is delayed, there are every chances of encroachments increasing over such transferred areas and chances of their being regularised.

3 19 3

Conservator of Forests, Coorg Circle vide No. MIS (1) 135 1389/61-62 dated 8-11-1965 instructed all Divisional Forest Officers that as per Government letter No. RD 32 LAD 62 dated 12-8-1965 work of taking over 50,638 acres of paisari in Coorg District should be completed within six months and that the Divisional Forest Officers should contact the Revenue Officers, at once and arrange to take over the areas from Revenue department, in the localities pointed out by them, pending regular survey and final demarcation of the areas and issue of necessary notifications under Forest Act, and to submit monthly progress reports on the work done in this respect.

Government in No. RD 50 LAD 65 dated 2-6-1966 directed all the Deputy Commissioners (enclosing a copy of Chief Conservator's letter No. RD-10-57/60-61 dated 14-3-1966) to arrange to hand over 50,638 acres of paisari land to Forest Department as per Government orders contained in No. RD 32 LAD 62 dated 1.8.1964, and 8.7.65. This subject was once again discussed in the conference of the Divisional Commissioner and Deputy Commissioners, held at Bangalore on 1-8-1966, in the chambers of the Chief Minister, and it was decided to take over all the Revenue (Paisari) lands as per G.O.No. RD 32 LAD 64 dated 1-8-1964 and 6-7-65. All the Divisional Forest Officers were directed by the Chief Conservator of Forests on 10-8-1966 to contact the Revenue officers and to take possession of the areas, so ordered. Simultaneously, afforestation notifications through the Deputy Commissioners concerned, and when such areas are taken over by the Forest Department, to declare them as protected forest/minor forests, as per the provisions of the Forest Act, and to submit progress. Report every month.

Further this subject was discussed at the Divisional level Co-ordination committee meeting at Mysore on 8-6-1967, and it was agreed to complete early this long pending issue, and that Revenue authorities would extend all co-operation for this taking over paisari lands. Further Divisional Forest Officer, Working Plan, Mysore, was entrusted with the work of surveying the lands to be transferred and taken over, in the Districts of Mysore, Mandya, Coorg and South Kanara. This fact was also communicated by the Divisional Forest Officer, Working Plan, Mysore to all Tahsildars on 15-6-1967. Chief Conservator of Forests in No. RD-10-67/60-61 dated 2-3-1967, has instructed the Conservator of Forests, Working Plan and Forest Survey and Divisional Forest Officers, Working Plans and should furnish full description of the boundaries of the areas, surveyed along with sketches and field notebook copy to the concerned Divisional Forest Officers, to facilitate them for sending proposals for notifications either for reservation or disreservation.

At the Divisional level Co-ordination Committee meeting on 1-6-1967 it was also decided that: 'Orders of Government should be given effect to immediately, without going into technicalities and ignoring slight discrepancies. After all it is a transfer of Government land from one department to another and any marginal adjustments after actual survey could always be effected without difficulty. Such transfers will include the unauthorised occupations, if any, and that action for eviction of unauthorised occupants, has to be taken by the department in whom the lands vest after transfer'. This was communicated by the Conservator of Forests, Coorg Circle to all the Divisional Forest Officers in Coorg Circle on 10-7-1967. During September 1967, the Divisional Forest Officer, Mercara submitted a nil progress report in prescribed proforma to the Conservator of Forests, Coorg Circle, Mercara.

Conservator of Forests, Coorg Circle once again on 15-6-1969 expedited the Divisional Forest Officer, Working Plan, Mysore to take up the work of transfer of 50,638 acres after survey, as desired by the Chief Conservator of Forests in this behalf on 29-7-1965. Further the Chief Conservator of Forests also had directed all concerned on 21-3-1969 to take over these paisari

have to be sanctioned and employed, for this purpose. Conservator of Forests, Working Plans and Forest Survey, Bangalore instructed the Divisional Forest Officer, Working Plan and Forest Survey, Bangalore, to obtain the details of Sy. Nos. and extents ordered for transfer by Government from the Divisional Forest Officers, Coorg and to action for survey and demarcation of such areas. Divisional Forest Officer, Working Plan and Forest Survey during October 1964 requested for additional staff of surveyors and Draught's man to attend to this special survey work on priority etc.,

During November 1964 only Divisional Forest Officer, Mercara instructed the Asst. Conservator of Forests, Resources Survey, Mercara to take up the survey works of the transferred paisari areas, with the help of 3 Forest Surveyors, and simultaneously the Deputy Commissioner of Coorg was requested to make available the following information to the Asst. Conservator of Forests, Resources Survey:-

- i) Village maps of the area, which are to be taken over by this Department.
- ii) The Jamabandi Register.
- iii) To make available the Services of Shambhougars and Nad Surveyors to show the areas and also to give all necessary documents, as and when required by the Forest staff.

Accordingly on 23-11-1964 and 22-12-1964 the Deputy Commissioner of Coorg issued necessary instructions to all Tahsildars, parpathigars and shambhougars in Coorg District to extend cooperation and help to the Forest staff, specially in locating the bundles and the boundary line of the proposed Sy. Nos. He also instructed that the survey party should be signed by the Forest Surveyor, the Shambhogue concerned and the patel of the village. One copy to be retained in Nad office and necessary changes made in the village map. Conservator of Forests, Working plan and Forest Survey, Bangalore and Conservator of Forests, Coorg Circle discussed about this subject with the Deputy Commissioner of Coorg on 19-12-1964, and the practical difficulties, experienced in the field by the Survey staff, were explained in detail and as such it was stressed that assistance from the patels and shambhagues, is essential and obligation. The Conservator of Forests, Working Plan and Forest Survey, Bangalore submitted a detailed report to the Chief Conservator of Forests vide DPT(s) 20-FYS-73/61-62 dated 22-12-1964 that the Divisional Forest Officer, Working Plan and Forest Survey, Bangalore would take up the work of survey and demarcation of 50638 acres of paisari lands transferred and then he would be attending to writing of boundary descriptions with a view to take further action to constitute these areas into Reserve Forests. Asst. Conservator of Forests, Resources Survey, Mercara would be supervising this survey and demarcation works. Asst. Conservator of Forests, Resources Survey, Mercara contacted the Deputy Commissioner of Coorg, Mercara for help by way of sparing 3 surveyors from District Survey Officer and prompt help from Tahsildars and parpathigars which the Deputy Commissioner of Coorg gave by issue of needful instructions to all Revenue staff. On 25-11-1964 and 22-12-1964, Further during January and February 1965, the Conservator of Forests, Working Plan and Forest Survey, Bangalore held discussions with the Deputy Commissioner of Coorg and inspected survey works being done near Kushalnagar and instructed for speeding up of the Survey and Demarcation works of 50,638 acres paisari.

The Asst. Conservator of Forests, Resources, Survey, Mercara, after getting the Sy. Nos. surveyed and demarcated by the special staff, wrote the boundary descriptions and submitted to the Divisional Forest Officer, Mercara vide No. 204/65-66 dated 15-9-1965, the following preliminary draft notifications:

- i) Sy. No. 1 Basavanahalli village.
- ii) Sy. No. 1/1 Iygodlu village (21-3-1966)
- iii) Sy. No. 1/1 and 1/2 of Gummankolly Village.
- iv) Sy. No. 29 of Doddathur village.
- v) ... Sampaje area.

A NOTE ON THE TRANSFER OF PAISARI LANDS FROM REVENUE DEPARTMENT
TO FOREST DEPARTMENT IN COORG DISTRICT.

-ooo-

From the information available on the files of this office, pertaining to Transfer of lands from Revenue Department to Forest Department for suplematic treatment, it is seen that this question is engaging the attention of both the Government and the Forest Department as early as April 1963. Since there was one Asst. Conservator of Forests working on Resources survey at Mercara, it was proposed that he should perambulate these paisari Sy. Nos. and after survey should arrange for notifying them as Reserved Forests or extensions to existing Reserve forests. No wooded lands were to be released for cultivation by the Revenue Officers, without committing the Forest Officers, who should inspect and offer opinion within 4 months and send the papers to the Taluk level officers, as provisions contained in G.O.No. RD 83 LAD 61 dated 4-6-1962. During September 1963, Deputy Commissioner of Coorg constituted 3 Taluk level Committees, as provided in G.O.No. RD 32 LAD 62 dated 31-7-1963. During the deliberations of such committees on 7-9-1963, Conservator of Forests Coorg Circle stated that, regarding selection of paisari lands which could be transferred to Forest Department for preservation, he would arrange to get the work done by the Asst. Conservator of Forests, Resources, Mercara, pending sanction of special staff, in view of urgency of this question. To secure this additional staff, Conservator of Forests, Coorg Circle requested the Chief Conservator of Forests for early sanction vide reminders dated 12-2-1963, 18-3-1963, 27-3-1963, 12-6-1963 and 5-12-1963, so that the work of transfer of paisari lands from Revenue Department to Forest department could be speeded up. During January-February 1964. Since Asst. Conservator of Forests, Resources survey experienced difficulties in his work due to lack of cooperation and help from the village and Taluk level Revenue Officers, Conservator of Forests, Coorg Circle, Mercara requested the Deputy Commissioner of Coorg to instruct his staff suitably.

The Asst. Conservator of Forests, Resources Survey, Mercara vide No. 95/64-65 dated 6-5-1964 reported to the Deputy Commissioner and Conservator of Forests, Coorg Circle that the Taluk Level Committees in coorg District have inspected 43 villages and also have roughly marked on the village maps the extent of paisari areas proposed to be transferred from the Revenue Department to the Forest Department. These details were probably submitted to the Government for orders. A meeting was convened in the chambers of the Chief Minister on 9-7-1964, when Ministers for Revenue, Agriculture, Forests, Excise, Secretaries to Government and Chief Conservator of Forests and Conservators of Forests, and Divisional Commissioners were present and this question of transfer of lands from Revenue Department to forest Department and vice versawas discussed in detail. Consequently Government vide G.O.No. RD 32 LAD 62 dated 1-8-1964 ordered the transfer of lands from Revenue Department to Forest Department from Forest Department to Revenue Department. In respect of Coorg District it was ordered that 50,638 acres of paisari lands are transferred from Revenue Department to Forest Department. As a result, on 28-8-1964 Deputy Commissioner of Coorg instructed all Revenue Officers, that paisari lands amounting to 50,638 acres (vide Annexures I, II and III) are transferred to Forest Department. Further he ordered the Revenue officers to amend the availability lists and to effect necessary changes, in the records, after these landstransferred to Forest Department are surveyed and demarcated, by the Survey staff of that department.

During November 1964, Conservator of Forests informed the Deputy Commissioner of Coorg (Under copies to the Chief Conservator of Forests, Divisional Commissioner and Divisional Forest Officers), that it would take some time, to get the areas ordered for transfer from Revenue Department to Forest Department, surveyed and demarcated etc., as additional staff (Constitituing of 84 forest Surveyors) will

No.E.35.Paisari.107/69-70.

Office of the
Conservator of Forests, Working Plans
and Development Circle, Bangalore,
Dated: 4th November, 1969.

To
The Chief Conservator of Forests
(Development), Bangalore.

Sir,

Sub:- Taking over Paisari land of Coorg
and transfer to Forest Department -
Sanction of staff sought for.

Ref:- Your Memo No.CCF(Dev).D/5-FYS/109/
FCS/68-69, dated 1-9-1969 and docket
No.CCF.(Dev).D/1382/69-70, dated
24-10-1969.

With reference to the above, I am to state that
from the copy of letter No.L.28.1.26-LND/67-68, dated
6-6-1969 of the Conservator of Forests, Coorg Circle,
Mercara to the Chief Conservator of Forests, Bangalore,
the extent of the Paisari land to be taken over in Coorg
Circle is 50,638 acres as per G.O.No.RD.32.LAD.62,
dated 1-8-1964.

Government in their letter No.AFD-230-FGL-69,
dated 21-5-1969 have called for a report whether the
existing survey staff in the Department could take up
survey work of Paisari land etc.

The sanctioned strength of staff under Forest
Consolidation Scheme to Working Plans Division, Mysore,
is as detailed below:-

- | | |
|---------------------------|----|
| 1. Range Forest Officer - | 1. |
| 2. Draughtsman. | 1. |
| 3. Surveyor. | 1. |
| 4. Forest Guard. | 1. |

The above staff is insufficient to survey the
50,638 acres of paisari land to be transferred to the
Forest Department. Any undue delay in surveying and
taking over these richly wooded areas may result in
serious and permanent loss due to encroachments grants
etc.

The Conservator of Forests, Mercara has proposed
the following staff to survey and demarcate the area of
the paisari land.

- | | |
|--------------------------------------|----|
| 1. Assistant Conservator of Forests. | 1. |
| 2. Surveyor I Grade. | 1. |
| 3. Surveyor II Grade. | 5. |
| 4. Draughtsman. | 1. |
| 5. Foresters. | 2. |
| 6. Revenue Inspectors. | 3. |
| 7. Accountants I Grade. | 1. |
| 8. Clerks. | 1. |
| 9. Clerk-cum-Typist. | 1. |
| 10. Peons. | 6. |

The Divisional Forest Officer, Working Plans, Mysore, has reported that there is no necessity for the Revenue Inspectors. As against six Surveyors proposed by the Conservator of Forests, Coorg, the Divisional Forest Officer has proposed one I Gr. Surveyor and four II Gr. Surveyors, i.e., five Surveyors as against six. The one post of the Draughtsman is not required as he has already one Surveyor and one Draughtsman.

Further the Divisional Forest Officer has reported that as against six Peons, 4 Peons and 2 Forest Guards are enough to push through the work.

Consequent to the above augmentation of staff, the work in the Circle Office will also be increased considerably in maintaining progress reports, scrutiny of T.A. Bills, leave papers etc. It is essential therefore that one post of II Gr. Accountant is sanctioned to the Circle Office. I therefore request that the Government may kindly be moved to accord sanction to the following staff for a period of two years in the first instance.

I enclose herein a copy of letter No. E.35-Paisari-107/69-70 dated 4-11-1969 received from the Conservator of Forests, Working Plans and Development Circle, Bangalore for perusal. The extent of Paisary land to be taken over in Coorg District is 50,638 acres as per G.O. No. RD 32 LAD 62 dated 1-8-1964. The Conservator of Forests, Working Plans and Development Circle, Bangalore has reported that the sanctioned strength of staff to the Divisional Forest Officer, Working Plans Division, Mysore under the scheme of "Forest Consolidation" is insufficient to survey 50,638 acres etc., and he has proposed the following staff for sanction for a period of two years in the first instance. I agree with the proposal of the Conservator of Forests.

1) Forest Surveyor. I Grade	..	One
2) Forest Surveyor . II Grade	..	Four
3) Foresters	..	Two
4) Accountant I Grade	..	One
5) Accountant II Grade	..	One
6) Clerk II Dn.,	..	One
7) Clerk-cum-Typist	..	One
8) Forest Guards	..	Two
9) Peons.	..	Four.

The above staff will work under the control of the Divisional Forest Officer, Working Plans Division, Mysore. The extra cost involved to Government in this regard would be about Rs. 46,063/- per year (Salary Rs. 36,063/- + T.A. Rs. 10,000 Lumpsum). Considering the value of 50,638 acres of rich forest lands to be transferred to the Forest Department, the cost of Rs. 46,063/- is not much, and as such I request you to move Government to accord sanction for the above staff, at an early date.

2.3.

Sir,

Sub:- Taking over paisari land in Coorg and
transfer to Forest Department -
sanction of staff sought for.

With reference to letter No.AFD-494-FGL-69, dated
18-2-1970 from the Secretary to Government, Agriculture and
Forest Department, Bangalore, copy communicated in your
No.CCF(Dev)D/19-338/PSR/69-70, dated 23-2-1970, I write to
state that no staff is sanctioned for survey and demarcation
of paisari lands, but under Forest Consolidation Scheme some
staff is attached to Working Plans Division, Mysore as stated
in Para-3 of this office letter of even No. dated 4-11-1969.
It is absolutely necessary that the minimum staff as
recommended by the Chief Conservator of Forests (Development)
in his letter No.CCF(Dev).D/19-338/PSR/69-70, dated 8/9-12-1969
is sanctioned without which it is not possible to take up
the work of paisari land. In view of the richly wooded areas
to be transferred to Forest Department, I request you kindly
to move Government to accord sanction for the staff recommended
immediately.

The report is submitted in duplicate.

Yours faithfully,

B.H. Gulab Singh
